CONTACT REPORT

PROJECT: CADROI"

TIME AND DATE: 10 May 1954 0945-1130

PRESENT: [] CARBOHYDRATE and []

PLACE : Tulpenstrasse 20.

1. The purpose of this meeting was twofold: the first thing was to establish an operating procedure between the three persons involved and secondly, was to, in the presence of Madell, give CARBOHYDRATE certain priority assignments.

2. The meeting went well. It was obvious who was in charge insofar as [] and CARBOHYDRATE were concerned. Whenever CARBO made a suggestion, it was phrased in terminology that implied approval of either the undersigned or [] in general terms, the atmosphere was that of a typical German civil service meeting with juniors and seniors present. (An attempt will be made to reduce this somewhat in the future with the end in mind to develop more trust ~~insofar~~ for CARBOHYDRATE insofar as [] is concerned.)

3. In [] presence, CARBOHYDRATE was given specific instructions concerning the priority of security matters. The primary purpose of this was to acquaint [] with the fact that these are priorities and that they will be done prior to anything else assigned CARBOHYDRATE. I have the feeling that [] "caught on."
